

FOR IMMEDIATE RELEASE

USA-FACT Hires Karoub

Riverside, California – March 2, 2010 – Employment screening provider, USA-FACT is happy to announce that Linda Karoub has joined its sales team as Client Executive.

“USA-FACT has an excellent reputation and great new leadership,” said Linda Karoub. “I am excited to be a part of the team.”

Linda brings USA-FACT over 15 years of business development and client on-boarding experience. In her new role, she will be responsible for new business development of USA-Fact’s hiring solutions, including background checks, substance abuse testing, I-9 verifications, e-Verify, Applicant Tracking Systems (ATS) and more. She will also be responsible for client implementation and system training.

“Linda is an energetic and experienced sales professional with a solid track record of serving the employment screening needs of small and medium-sized employers nationwide. Linda’s product knowledge and strong client advocacy line up well with USA-FACT’s consultative, client-focused approach. We expect great things from Linda,” said Vince Pascarella, USA-FACT’s Vice President of Sales.

About USA-FACT:

USA-FACT is an industry leading employment screening company whose goal is to help employers build strong, productive employee teams. Founded in 1987, USA-FACT’s services include: background checks, substance abuse testing, physical exam management, I-9 Verifications, e-Verify, Applicant Tracking Systems (ATS) and more. With a reputation built on trust, USA-FACT is responsive to the needs of our clients, utilizing the most innovative ideas in streamlining the screening process and significantly reducing screening costs.

USA-FACT is a proud member of the National Association of Professional Background Screeners (NAPBS) and USA-FACT management have chaired NAPBS committees and presented at a number of NAPBS conferences and Webinars. USA-FACT is a certified California small business and employs members of the Society of Human Resources Managers (SHRM).
